Meeting Agenda

- **Lunch (bring your own) and welcome.** Chris Clary - Cedar Park
- **ESRI Presentation - 'See What Others Can't '-- the Science of Where** helps you combine information, find patterns, and make new connections to see a world others can't. Presenters: Jacob Blind, Zena Pelletier (ESRI)
Learn about the highlights from this year's Esri Users Conference with everything you need to know, what's available now and how to best leverage the new enhancements!

Zena Pelletier is a Solution Engineer on the State & Local Government team in the San Antonio Regional Office with Esri. She has been with Esri 3 ½ years and she works with local governments in the region to make full use of Esri software and technology. She enjoys helping users deploy solutions to meet their business and objectives.

Jacob Blind is an Account Manager on the State & Local Government in the San Antonio Regional Office with Esri with 13 years expertise in the management and execution of small to large scale geographic projects. Jacob is a proactive, performance driven leader in municipal government Geographic Information Systems (GIS) and Information Technology (IT). He is also an active member of the Project Management Institute with a PMP certification.
