

Regular Meeting of the Williamson County GIS Council

Thursday, June 2, 2016

11:30a.m. – 1:00p.m.

Leander Public Library

1101 S. Bagdad Rd

Leander, TX, 78641

[Location Map](#)

Agenda

1. Lunch (*bring your own*) and welcome - Richard McEntee, City of Cedar Park

2. Presentation – Ed Kelly, Texas Statewide Data Coordinator

Ed Kelly serves as the Statewide Data Coordinator for the Texas Department of Information Resources. He is responsible for improving data governance and integrity by working with agency leadership to develop data policies, standards, and best practices. In this role, Ed seeks opportunities for data sharing across government to reduce duplicative information collection, increase accountability, improve data management and analysis, and identify future cost savings. Ed has held positions in IT leadership, business continuity planning, business operations management, project management, and security/facilities management. Most recently Ed was the Chief Administrative Officer and Information Resource Manager (IRM) at the Texas Department of Agriculture where he had management responsibility for information technology, human resources, facilities and fleet management, and licensing in support of the agency's statewide regulatory responsibilities.

3. Agency Roll Call – Round robin update from steering committee members, other agencies, and visitors

- **Georgetown** – An update on the TNRIS statewide orthoimagery project
- **Cedar Park** – Stormwater utility creation and data development

4. 2016 events discussion – Solicitation to the membership for field trips, workshops, GIS Day planning, happy hour/lunches, and any other potential WCGISC events

5. GIS Day – Call for volunteers, GIS Day committee members and set first meeting date.

6. Set next meeting Date and Adjourn
