### Agenda

1. **Lunch (*bring your own*) and welcome** - Richard McEntee, City of Cedar Park
2. **Presentation – Participatory Mapping and the Appropriate Selection of Methods** - Dr. Peter H. Dana, Research Fellow, University of Texas at Austin (Retired)

The presentation will focus on participatory mapping and the appropriate selection of methods. The theme would be how we should all strive to select methods that really come from the people and their environment rather than the default methods we often select.

3. **Agency Roll Call** – Round robin update from steering committee members, other agencies, and visitors
4. **GIS Day Planning Report** – Ilyanna Kadich
5. **Set next meeting Date and Adjourn**
